Manufacturing Details That Matter

You can trust our team to make sure every small detail is covered. Quality features you should expect from a great window as well as superior design elements make our windows a permanent solution. And, with all of these attributes, the need for service is virtually eliminated.

Our Windows Guarantee Efficiency And Strength

Backed by the Good Housekeeping Seal

Gold Features:

Heavy-walled construction

Builds in more durability.

Secure Vent Latch

Allows for ventilation with added security deterrent benefits.

Fusion-Welded Frame & Sash

Provides strength, durability, and perfectly square windows that are air tight.

Dual Tilt-In Sashes

Sashes tilt in for easy cleaning due to safety tilt hardware.

Interlocking Meeting Rail

Integral interlock provides additional security and draft-sealing efficiencies.

Equal Glass Sizes

Provides traditional architecture look with superior structural integrity.

Sunshield® PVC Chemistry

Specially formulated by Deceuninck to perform well in extreme weather conditions.

Dual Action Swing Lock System

Offers superior security deterrent.

Strong One-piece Sloped Sill

Multi-cavity sloped sill has no snap-on parts and provides positive water runoff, even in driving rain.

Foam Filled Frames

Provides thermal performance.

Owens Corning Weatherstripping

With AirSealing® technology. Laboratory tests prove up to 24% improvement versus other leading brands.

Superspacer Optimized Glass

Guaranteed not to fail utilizing Super Spacer Glass.

Balance Covers

Further reduce air infiltration while providing a crafted, finish.

Innergy® Thermal Reinforcement

In meeting rail provides metal-like stiffness without the thermal conductivity.

Insulated Low-E Argon Glass

U value = .27

Stainless Steel Constant Force Balance

Trouble-free, and maintenance-free while providing smooth operation as well as safe and easy cleaning.

Extruded Half Screen

Stronger frame is less likely to bend like roll form material.

The Power of Options

Make your home as unique as you are, with customizable window options. From colors to finishes, to handles and more, you have the power to choose from endless features. Take a look at what we have to offer!
